

38. List of Preparers and Contributors

38.1 Introduction

This Draft Environmental Impact Report/Environmental Impact Statement (DEIR/EIS) was prepared by the California Department of Water Resources (DWR) and the U.S. Bureau of Reclamation (Reclamation). The following individuals led the effort from those agencies:

CEQA Lead Agency (DWR):

- Ajay Goyal (Principal Engineer, Water Resources)
- Sean Sou (Supervising Engineer, Water Resources)
- Jim Wieking (Supervising Engineer, Water Resources)

NEPA Lead Agency (Reclamation):

- Ron Ganzfried (Branch Chief)
- Sharon McHale (Project Manager)
- David Pritchett (Alternate Project Manager)

The following tables list the people who prepared various sections of the DEIR/EIS and/or background materials, or conducted reviews of materials for the DEIR/EIS. This chapter is consistent with the requirements set forth in NEPA and CEQA (40 CFR 1502.17 and Section 15129 of the State CEQA Guidelines), respectively.
